News from our parish school

St Anthony's Class. The children continue to enjoy regular welly walks to the paddock and it has been lovely to witness the changing seasons together. This Autumn we have discussed the difference between evergreen and deciduous trees. The children felt the waxy spiky leaves of the evergreen and witnessed the colourful leaves falling from the deciduous trees. We then introduced some new colour vocabulary, our favourites words were amber, crimson and chestnut! In art, we have drawn our families using oil pastel and added a pop of colour with water colour - the finished products were delightful.

A Prayer for the COP26 Climate talks:

Loving God, we praise your name with all you have created. You are present in the whole universe, and in the smallest of creatures. We acknowledge the responsibilities you have placed upon us as stewards of your creation. May the Holy Spirit inspire all political leaders at COP26 as they seek to embrace the changes needed to foster a more sustainable society. Instill in them the courage and gentleness to implement fairer solutions for the poorest and most vulnerable, and commit their nations to the care of Our Common Home. We ask this through Our Lord Jesus Christ your Son. Amen.

Right To Life UK urgent appeal

The abortion lobby has already been successful at using the Coronavirus crisis to temporarily introduce home 'DIY' abortions. The policy has not only accompanied a large increase in the number of lives ended by abortion but has also been linked to a number of serious incidents where women's lives have been put at risk while performing their abortion at home.

Fighting both the abortion and assisted suicide lobbies over this period has already made a huge dent in Right To Life UK's limited resources. We are, therefore, appealing to you to please give as generously as you can to ensure we can defeat the abortion and assisted suicide lobbies in these upcoming battles. Every donation, no matter how small, will go towards saving the lives of the unborn and many others.

Please visit www.righttolife.org.uk/give for more information and to donate now.

Do you have any empty **SHOE BOXES**? Amazingly it's time again to fill them up for the poor folk in Eastern Europe. The crates for donations will be out soon in the porches. Please contact Annette at Gillingham.

Those attending 6pm Sunday Mass, please let your fellow parishioners know, who may not be online, that Sunday evening Mass has now resumed. Thank you.

www.heavensroadfm.com – just to remind you. An excellent Catholic radio broadcasting 24/7. Has traditional prayers, including Rosary, Angelus and prayers for the sick, plus lots of feature programmes and music. Also has many links on the website to podcasts etc, and about 40 live Masses a day from webcams in UK and Ireland. If anyone has a spare shilling to give away, the Radio is reliant upon donations - a very worthwhile cause. [Donate here](#)

Sunday Collection. Please consider donating via Standing Order. Whether you are a tax payer or not this is a simple method, and even better for fundraising is the option of Gift Aid from taxpayers. If you would like applications for either or both of these it would be most

valuable to the parish. Please contact the Treasurer, Pam Snell - via: admin@marnhullandgillinghamrc.org.uk or click on 'Parish Collections' on our website. Thank you, Pam.

Mission Made Possible. Do you want to be able to share your faith with others, as we are all called to do, but don't know where to start? Do you find it difficult to talk about with your nearest and dearest? Are you afraid you might be asked difficult questions and won't have all the answers? Mission Made Possible will help you with all these things and there are sessions starting near you very soon. A series of talks has been arranged in support of Mission Made Possible. Our most recent talk was from Dr Maria Heath, who is the Chairperson for the Catholic Charismatic Renewal in the UK. Maria talked to us about how we are, as Christians, simply "Made for Mission". If you missed it, you can catch up via the recording of the session that we have posted on the diocesan website <https://www.plymouth-diocese.org.uk/> you will find it under "Latest News"

World Mission Sunday, October 24th

World Mission Sunday is being celebrated in every Catholic parish around the world today! It supports missionaries who work alongside communities that are poor or in need, regardless of their background or belief. By supporting Missio, the Pope's charity for world mission, you will help missionaries like Sister Veronica build peace in Nigeria and share the love of Christ with those most in need.

Please pray for the mission of the Church throughout the world and give what you can to this very important collection which will sustain the future of our Church. Please call 020 7821 9755 (office hours) or visit Missio's website to give a single gift, set up a Direct Debit and Gift Aid your donation, if possible: www.missio.org.uk

World Mission Sunday is celebrated in every Catholic community in the world. It's a moment of grace to express solidarity with our brothers and sisters in Christ who are living in situations of poverty, violence and oppression. Every parish, school and community is invited to join this special event, and every penny, pound and prayer you give to Missio helps missionaries everywhere continue their work.

In the Holy Father's message for World Mission Sunday 2021, he says:

'Jesus needs hearts capable of experiencing vocation as a true love story that urges them to go forth to the peripheries of our world as messengers and agents of compassion'.

'Missio' (red boxes are one way of contributing regularly) is responsible for this through the Pontifical Mission Societies. Even with lockdown obstacles, England & Wales collected £4 million overall in 2020! If you have a red box in need of emptying, please bring to church; if you would like one there are new ones in the porches for any coins, big & small.

The Vale Pantry, Sturminster Newton, has asked us to join them in a 'Reverse Advent Calendar', to raise food for Christmas for local people in poverty. We're asked to pop an item of suitable food into a box at home, each day of November, (or as many days as we can), then drop the box into the Pantry or the Medical Centre in Stur, at the beginning of December, bringing a ray of sunshine to those less well off than us! If you can't get the box to them, Tony Moore will collect it from you and deliver it to The Pantry. 01963 365848
