

OUR LADY'S & ST BENEDICT'S DORSET

ACTIVITIES AND CONTACTS

Can anyone help with any of these activities that the parish strives to fulfill? A lot of these events have fallen by the wayside due to lack of support; It would be good to see the parish working together to encourage each other and our faith.

The latest contacts on these lists have kindly given their telephone numbers so that they can direct enquirers to the right people to help with their questions. You can also find this list as an online form on the Parish Life Page on our website: www.marnhullandgillinghamrc.org.uk
